参考范文:

I'm very interested in the project that you're going to carry out on studying the Hanover Park. I want to be one of your team members. As you know, I'm a new comer here. I'm eager to know more about the place where I'm living. Moreover, I'm into getting close to nature. Your project is a great attraction for me. And I think I will be a good teammate. I'm good at computer. I can deal with the materials that we collect effectively and timely. What's more, I have a good knowledge of geography, which is an advantage for the research. Finally, I hope you can take my application into consideration.

I'm looking forward to your reply.
